Declaration of Honour for the application of funding for sustainable travel in the Erasmus+ programme (SMP project 2026)

Hereby I, _____ (last name, first name), born on _____ (DD.MM.YYYY), confirm that I am applying for the additional funding for sustainable travel.

I will be travelling both the entire outward journey to my destination abroad as well as my entire return journey back to my place of residence with the following sustainable means of transportation:[1]

☐ **Train**

☐ **Bus**

☐ **Carpooling**

☐ **Bike**

Possible proof: train and bus tickets, fuel receipts, pictures, screenshots of the travelled journey (i.e. Google/Apple maps)

With your signature you are confirming that you have been informed about the conditions for receiving the funding of additional travel days and meet the necessary criteria[2]. Possible proof is to be kept for 5 years after your mobility and only to be submitted **on request** to the University of Cologne.

I have given all information to the best of my knowledge and I acknowledge that I have to pay the granted funds in whole or partly to the University of Cologne in the case of false statements. I want to apply for the additional funding of sustainable travel days and am declaring by honour that I meet the requirements, possess the according proof and can submit them on request.
